Lansdale Holiday Inn

THE FOUNDATION

Rock for Hockey mission is to help hockey players in the Mid-Atlantic region that might be having a hard time paying for the sport that they love. Hockey is an expensive sport and Rock for Hockey recognizes that. For a lot of families, playing hockey requires considerable sacrifice. If a family experiences any adverse event (e.g. job loss), it may mean that their child has to sit out of the game that they love. Rock for Hockey is there to assure that the player continues to play their game.
